

PINPOINT – THE NEWSLETTER FOR THE PEOPLE OF PINVIN

Produced by St Nicholas Church Pinvin.

Issue 31/04 May 2017

The Village Church needs people to help run activities and be involved in the maintenance of the building. Could you help us?

Can you offer advice on Lighting or Heating. both topics need to be improved in the Church.

If you don't know about buildings, but would like to be involved in some way, what about flower arranging?

The Newsletter For The Village of Pinvin, Produced By St Nicholas Church Pinvin

Dear Friends

I really don't know how they do it! Sitting on my sofa I found myself being totally inspired by the efforts of all those who took part in the London Marathon. The time, energy and preparation required by all of those participants to get round the course is incredible. Not forgetting that behind every single runner there is a great amount of support which helps to make it all possible.

One image from this year's marathon which will stand out in many people's mind is the moment when Matthew Rees helped David Wyeth to complete the last few hundred metres of the race. David would never have got there on his own as he was completely exhausted. Team work made it possible for him to finish.

A great image and one that we can reflect on as we go about our lives, regardless of whether we've felt motivated to run the marathon next year! In so many different ways and situations we all need the help and support of those around us. We will know those who help us and hopefully we take all the opportunities we can to thank them.

The team at St Nicholas Church is always grateful for all the help and support we receive from different people and groups. The Annual meeting in March was a public way for us to say thank you to everyone for all that they do, especially remembering those who have stood down from positions of responsibility. As you will read elsewhere in Pinpoint, we now have the task of finding someone to work alongside Hilary Roffey as a Churchwarden and for someone to become our new Treasurer. These are important roles in the life of the church, we can't do without them, but anyone who feels able to help can be guaranteed to have the support of a great team of volunteers.

Please do think if you can help and contact me or any of the PCC if you want to know more about the various roles.

Claire

Notes from Pinvin Parish Council

Allotments

Work is currently underway by the Parish Council in preparing areas of allotment land ahead of the new growing season.

New tenants are most welcome - If you are interested in acquiring an allotment plot please contact a member of the Parish Council or Clerk for further details. A standard half plot costs £10.00 per year.'

Dog fouling: **Advice for the dog-walker** Encourage your dog to foul on your property before/after the walk. Always carry something to clear up after your dog. If your dog fouls in a public place then put a bag over your hand and pick it up with your protected hand. Turn the bag inside out around the faeces and tie a knot in the top of the bag. Deposit it in a dog waste bin (if you are not sure where these are, contact us or your Town/Parish Council) or take it home and put it in your dustbin.

How can the public help us to prevent dog fouling? If there are areas that are badly fouled, please let the Council's Street Scene teams know so that they can deal with them .The Council's Street Scene teams may be able to cleanse public areas that are badly fouled. The contact telephone number for each district can be found below.

For Wychavon District Council area **ONLY** refer fouling issues to WRS enquiries 01905 822799

<http://www.worcsregservices.gov.uk/dog-service/dog-fouling.aspx>

We are fortunate to have easy access to pleasant, open spaces in the village so please help to maintain these.

Speed initiatives: As outlined in the last edition of Pinpoint, the Parish Council is seeking funding in order to implement a number of measures proposed to address the problem of speeding in the village. Following guidance from County Council Highways, work is now well underway in preparing an application for submission to the District Council to utilise some of the Parish's New Homes Bonus allocation in order to fund these initiatives.

NEWS from St Nicholas Church.

During the past few months of the Pinpoint we have been trying to keep you informed of what is happening in Church, with the hope that more villagers would get involved in the activities of the Church.

Last month at the annual general PCC meeting we said good bye to Mrs Sheila Dobell who recently moved away from Pinvin. Sheila has been treasurer for several years and done a great job. Sheila has kindly agreed to stay on for a short time whilst a replacement is found.

Mrs Stella Elliott resigned from the role of Churchwarden due to ill health. Stella has been a tremendous asset to St Nicholas over the past few years; she is staying on the PCC but as a back bencher.

So, we need a new Churchwarden and we need a new Treasurer, should any villagers like to help out in these roles, then please contact any of the telephone numbers above opposite on page 9 .

Rogation Sunday May 21st 10:30 at ORCHARD FARM - Owletts End.

The service will commence in a large barn and weather permitting we shall go into a field to look at the sheep etc. there are normally some new born lambs for the children to see. This is a really nice service with light refreshment afterwards.

West Wall Repairs.

Finally the work is due to commence on Monday 24th April and will last approximately two weeks, there will be several people at times working at the west end of the church, so for everyone's safety please avoid this area if you intend to visit the graveyard.

Still Changes in May

The clear skies have been kind to our spring blossom, trees, bulbs, climbers and shrubberies. So we had beautiful colours, long lasting flowering beds wall climbers and pond plants. In damp areas fritillaries, wild bulbs have extended their flowering times lasting weeks. I only saw one redwinged lily beetle. These are a pest and can ruin gardens, bulbs vanish for ever.

Often Beeflies have been seen. I notice their shadows as they fly with horizontally positioned wings. The orange tip butterfly prefers Cuckoo flowers, same as Ladies Smock. I have hundreds of these so it was delightful to see swarms of these on a warm day. It does not happen too often.

My neighbours have been so intrigued by the business of a wren, building a nest with many leaves though we have masses of moss. That they wait for the empty nest so they can learn more. The greater spotted woodpecker has been much quieter than before but has been making yet another perfectly round nest hole. Because the tree still has to grow this season's leaves I have been able to watch him from the house to see his head move at a fast rate as he drills this year's hole.

My first visit this year to the wetland looked at first very disappointing .There seemed to be no coots or moorhens only ducks and two swans but not a pair. Then overhead there appeared several martins. I was delighted. Since then I have had reports of swallows in the village.

Exercising Dogs

Would all those taking their dogs on the Pinvin Playing Fields please pick up the mess and put it in the dog waste bins provided. Dog faeces is a health hazard to all, but especially to the children using the Playing Fields.

Thank you.

March 2017

Hello everyone,

Well we have been super busy at Pre-school this term, enjoying the beautiful Spring weather and of course the rain! We have been out and about at All Things Wild in Honeybourne, following our dinosaur interest, and then had a lovely trip to Orchard Farm in the village to see the new-born lambs. A big thank you to Kate and Alan for always making us so welcome.

We have been overwhelmed with the number of kind donations we have been given in regards to the vandalism we reported at the children's forest school area. The donations are currently being used to improve the current area and the children have been so delighted we have now put in an extra forest school session on a Monday. We will be celebrating our new look forest school and you will be invited to join us, so watch this space.

PLANTS WANTED!

Hello my name is Lil Hamby. I am a resident of Pinvin and work in a school in Worcester. We are entering the school garden competition at the RHS Malvern Spring Garden Festival in May. The theme this year is Space.

I would be very grateful if any residents of the village, when getting their gardens ready for spring would consider giving me **any unusual shaped shrubs** that would be suitable for our space themed garden.

I live at Sundowner, Upton Snodsbury Road in Pinvin.

Many thanks, Lil Hamby

4 eggs –separated

200 g / 8 oz caster sugar

6 Tbsp raspberry jam

6 Tbsp soft white breadcrumbs

425 g / 17 oz carton Ready-made custard

Flaked almonds

6 Ramekin dishes

1. Preheat oven to 180°C Gas Mk 4.
2. Whisk egg whites until stiffened and gradually whisk in sugar.
3. Spoon 1 Tbsp jam into base of each Ramekin; top with a Tbsp white breadcrumbs.
4. Mix 2 of the egg yolks into the custard and divide between the Ramekins. Top each dish with meringue.
5. Sprinkle with flaked almonds and bake for 20 minutes until golden.

This is what the Church looked like for the Carol service last Christmas Eve, we all had a good time and the young children were involved in setting up the crib.

Hot Mulled wine and soft drinks plus mince pies were provided after the service.

This is your church, please support it!

The East and South Walls

The Porch needs some attention; we shall be seeking further advice on the condition of the stone work from the stone masons when they start repair work on the West wall next month. The Roof needs attention, same comments as previously discussed.

Please contact me Glen Hurst on 07547883326 if you would like more information.
